AQUA ROOTS OF HUNGARY

UAE | DUBAI 2021

Hungarian Gold Water is a high energetic value functional drink which might: promote general feeling of well being, enhance the body's natural defenses of immunity, stimulate the body's rejuvenation functions, increase conductivity between nerve endings, improve communication between neurons and support self-healing processes. Ingredients: Aqua Celesticum 50 ml | 24 carats pure gold 1 mg. As serum you could be diluted with your drinking water up to the 1500 ml quantity.
